

Primary Casualty (San Antonio)

Catlin San Antonio underwrites primary General Liability Insurance for a multitude of classes. Our appetite is predominantly industrial in nature and is severity driven. Our typical insured is a small to mid-sized commercial enterprise. Coverage is provided on non-admitted paper and distributed through select wholesale brokers throughout the United States.

Target Classes

- Manufacturers and distributors of heavy machinery for agriculture, industrial, and construction industries, electrical/electronic equipment, trailers, truck, bus, emergency vehicle parts, bodies and retrofits, non-invasive medical equipment.
- Contractors who perform installation, service, or repair of heavy machinery, medical equipment, boilers, conveyors, metal works.
- Contractors who specialize in painting and sand blasting, equipment rental, tower erection, street and road construction, water and sewer main construction.
- Oil and gas lease operators, working interests and contractors for land-based oil and gas operations.

Prohibited Classes

- Aircraft Products/Parts
- Bridge/Tunnel/Dam/Highway Contractors
- Any operation with a known USL exposure
- New Residential Contractors
- Crane Rental – with or without operators

Limits

- Up to \$5,000,000 per occurrence

Program Parameters

- Minimum Premium: \$4,500 for most classes
- Minimum Deductibles: \$1,000

Product offerings are underwritten through Catlin Specialty Insurance Company (CSIC). CSIC has been assigned a rating of "A" (Excellent) XV by A.M. Best and "A" (Strong) by Standard and Poor's.

This general product description is informational only. It is neither an offer to sell nor a solicitation to purchase any particular insurance product. Coverage may not be available in all jurisdictions.
