

# Inland Marine Insurance

**Our Inland Marine practice has a broad appetite, with primary focus on: builders and installation risks, open transit and trip transit, contractors and mobile equipment, and warehouse/distribution risks. We distribute our product through brokers, on both admitted and non-admitted paper. Coverage is provided on an all-risk basis, using industry-accepted wording.**

## Target Market

- Contractors and developers, who specialize in commercial and residential new construction and renovations of existing buildings
- Street and road contractors
- Quarry operators
- Bridge and tunnel contractors
- Warehouse operators and specialty storage, including cold storage
- Distributors of various products, including third-party logistics operations
- Fine arts

## Prohibited Classes

- Motor truck cargo for common carriers
- Difference in conditions
- Stand-alone catastrophe perils

## Required for Submission

- Completed application, including all supplemental questionnaires
- Comprehensive loss information

## Limits

- Up to \$15,000,000
- For superior risks, additional capacity can be obtained within Catlin.

## Program Parameters

- Minimum premium \$10,000 (applies to most classes of business)
- Deductibles will be used on a class by class basis. Minimum deductible for non-catastrophe perils usually \$5,000. Flood, earthquake, and windstorm will be subject to a percentage deductible.

Product offerings are underwritten through the following companies: Catlin Specialty Insurance Company, Catlin Insurance Company, Inc. (Admitted), and CSIC (non-admitted). All companies have been assigned a rating of "A" (Excellent) XV by A.M. Best and "A" (Strong) by Standard and Poor's.

This general product description is informational only. It is neither an offer to sell nor a solicitation to purchase any particular insurance product. Coverage may not be available in all jurisdictions.
